

"Terrific! Ball's book is a gift to readers interested in LGBT rights and many critical social and civil rights questions of our time. Its outstanding collection of expert authors advances a well-rounded and well-grounded interdisciplinary framework for thinking about the future."

SUZANNE B. GOLDBERG, HERBERT AND DORIS WECHSLER CLINICAL PROFESSOR OF LAW, COLUMBIA UNIVERSITY

"Important and timely. . . . It asks precisely the right question at precisely the right time. And, thanks to Carlos A. Ball's careful work and exceptional reputation, it solicits the views of some of the most important scholars working on these questions across a range of disciplines."

DOUGLAS NEJAIME, UNIVERSITY OF CALIFORNIA, LOS ANGELES

"Asks important and timely questions about the future of the LGBT movement and addresses them with analytical rigor and insight. . . . an invaluable contribution to the literature."

AFTER MARRIAGE EQUALITY The Future of LGBT Rights

EDITED BY CARLOS A. BALL

In persuading the Supreme Court that same-sex couples have a constitutional right to marry, the LGBT rights movement has achieved its most important objective of the last few decades. Throughout its history, the marriage equality movement has been criticized by those who believe marriage rights were a conservative cause overshadowing a host of more important issues. Now that nationwide marriage equality is a reality, everyone who cares about LGBT rights must grapple with how best to promote the interests of sexual and gender identity minorities in a society that permits same-sex couples to marry. This book brings together 12 original essays by leading scholars of

law, politics, and society to address the most important question facing the LGBT movement today: What does marriage equality mean for the future of LGBT rights?

After Marriage Equality: The Future of LGBT Rights explores crucial and wide-ranging social, political, and legal issues confronting the LGBT movement, including the impact of marriage equality on political activism and mobilization, antidiscrimination laws, transgender rights, LGBT elders, parenting laws and policies, religious liberty, sexual autonomy, and gender and race differences. The book also looks at how LGBT movements in other nations have responded to the recognition of same-sex marriages, and what we might emulate or adjust in our own advocacy. Aiming to spark discussion and further debate regarding the challenges and possibilities of the LGBT movement's future, *After Marriage Equality* will be of interest to anyone who cares about the future of sexual equality.
